PERMIT APPLICATION — Fireworks Stand

The following information will be helpful in your permit application to operate a fireworks stand within the City Limits of the City of Idaho Falls, Idaho:

The City maintains a copy of our adopted ordinance for Fireworks on our City website <http://www.idahofallsidaho.gov>. The document is located under Health and Safety (Section 6) FIREWORKS.

The permit application form for the sale of "Safe and Sane" fireworks is a one page document that can be obtained from the City Clerk's Office and is available in an electronic document.

When completing the application the following is required:

The "APPLICANT" is the name of the person who will be operating the fireworks stand within the City of Idaho Falls. The applicant must be at least 21 years of age and must provide verification of age. A current address and telephone contact number of the applicant must also be provided for the permit to be approved.

If the applicant has a business name or a business that will sponsor the fireworks stand, this information should be provided in the "Business Name" area of the application.

The applicant must also provide the location of the fireworks stand. A specific physical address is required. If your stand will be located on a commercial property and you are either provided or will rent a space on the property, you must provide the physical address of that property. You must also provide a letter of approval from the property owner or Management Company that you have permission to operate a fireworks stand on their property.
